The Panalpina Group is one of the world's leading providers of supply chain solutions. The company combines its core products of Air Freight, Ocean Freight as well as Logistics and Manufacturing to deliver globally integrated, tailor-made end-to-end solutions for eleven core industries.

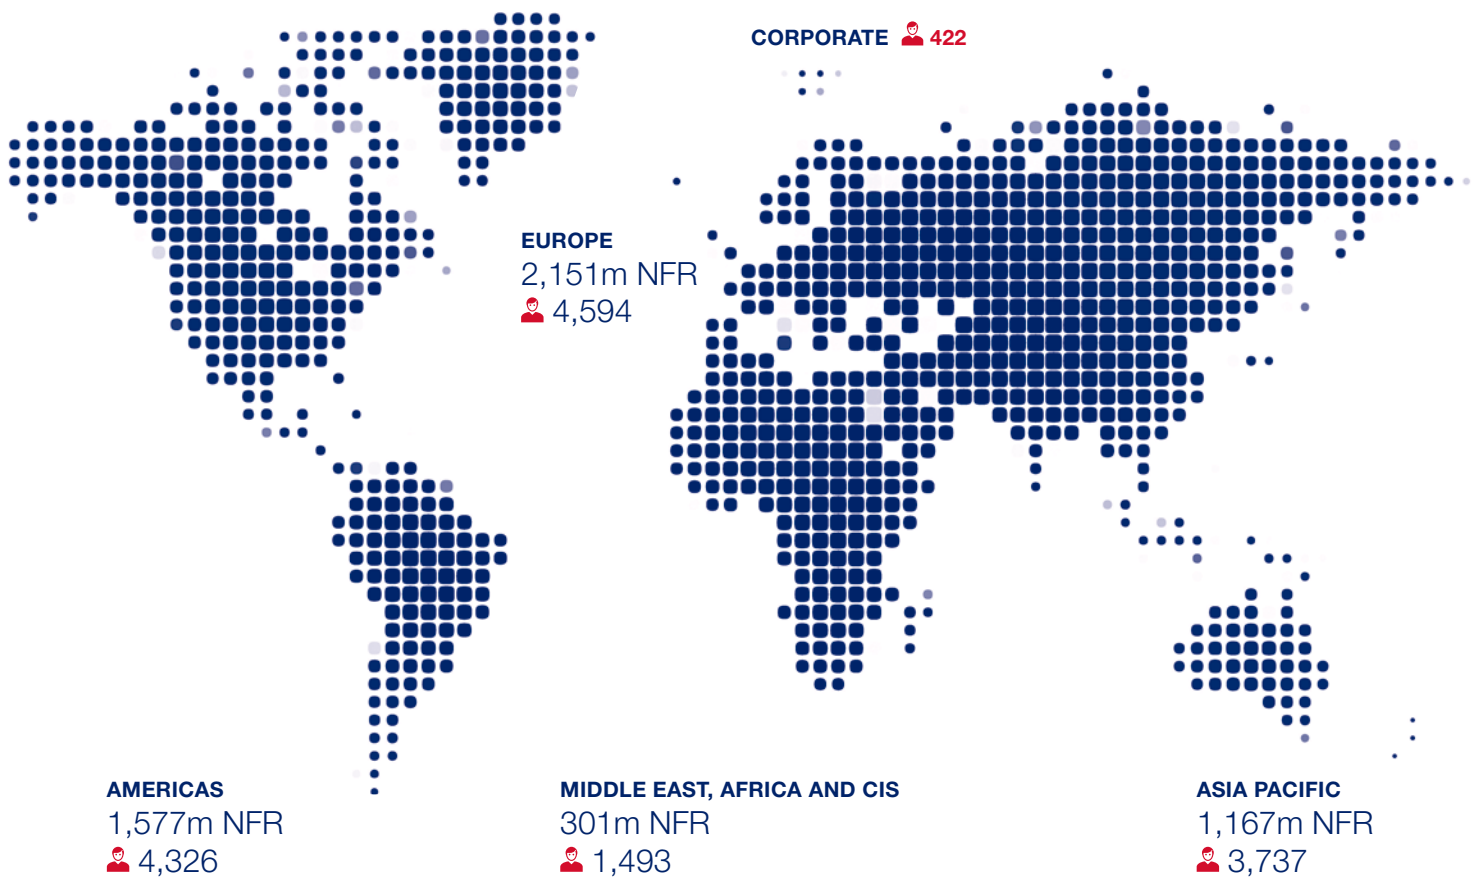

Drawing on in-depth industry know-how and customized IT systems, Panalpina manages the needs of its customers' supply chains, no matter how demanding they might be. Energy and Project Solutions is a specialized service for the energy and capital projects sector.

The Panalpina Group operates a global network with over 500 offices in about 70 countries, and it works with partner companies in another 100 countries. Panalpina's employees deliver a comprehensive service to the highest quality standards—wherever and whenever.
